*"Please join us in continuing the tradition of Westside families investing in the teachers and programs that make District 66 special. With the disruptions to 'normal' caused by COVID-19, it's more important than ever to support this great school district. Thank you for your consideration."*

- Jackie (Pfeifer) and Terry Kroeger ('80)

*"We are honored to serve as W Club co-chairmen this year. As WHS alumni and parents of a WHS 2011 graduate, we know firsthand the impact of public education and District 66's commitment to excellence in particular. Your membership supports the Westside Foundation's role in providing opportunities to enrich and enhance the quality of education for all students in the district. Thank you in advance for investing in the future of our Westside community."*

"We are honored to co-chair this year's W Club campaign. As a Westside alum, and parents of a current Westside student (class of 2023), we are both aware of the effect the campaign can have on students' high school experiences, as well as the rest of their lives. We are committed to doing our part to ensure Westside remains a leader, providing its students with knowledge and skills to take with them after high school. Go Warriors!"

- Carissa (LeBron) and Tony Schragger (class of '95)

## WHAT IS THE **W** CLUB?

The **W** Club was created in 2016 by the Westside Foundation—an official support group recognized by Westside Community Schools. The mission of the **W** Club is to contribute to the advancement of District 66 to achieve the following:

- **Provide funding** to support the continuance of educational, artistic and athletic excellence for our children and the community.
- **Support programs** where district funds are not available.
- **Recognize excellence** through student scholarships and teacher/staff awards.
- **Enhance collaboration** of those within our community by providing information about Westside Foundation, alumni and District 66 schools.

## NOT AN ALUM?

**W** Club membership is open to anyone (alumni, district parents, friends of the district, etc.) wanting to support students, teachers and education within Westside Community Schools.

**In 4 years, the **W** Club has raised more than \$310,000 for students and teachers.**

## RECAP OF 2019 **W** CLUB CAMPAIGN

Last year was a record-breaking year for the **W** Club! The **W** Club membership increased to 334 members and raised \$110,000 (17% increase from 2019)! Our goal when starting the **W** Club was to engage alumni and friends of Westside Community Schools to benefit all students and teachers within the district, and it has become a reality because of the amazing support.

2019 **W** Club funds supported the following areas:

- High School Welcome Center
- Annual **W** Club Academic Scholarships
- ACT Prep class for students
- Physics Going Wireless
- Warrior Culture Week
- iSTEM After School Program
- School Snack/Energy Pantry for students in need
- Certified Nursing Scholarships and Certifications

These enhancements provided to Westside Community Schools would not have been possible without the support of the 334 **W** Club members in 2019. Thank you in advance for investing in the future of our great district!
